

DATTCO Strengthens Regional Service and Fleet with Land/Jet Acquisition

Expansion strengthens service footprint, Creates New Jobs, modernizes fleet, and welcomes employees into the DATTCO team

New Britain, CT — March 26, 2026 — DATTCO, Inc., a third-generation, family-owned transportation provider based in New Britain, Connecticut, today announced the acquisition of Land/Jet, a well-established transportation company located in Watertown Connecticut.

This strategic move expands DATTCO's presence in Western Connecticut and into New York, while reinforcing its commitment to safe, reliable, and community-focused transportation. The acquisition also supports continued investment in workforce development, fleet modernization, and regional economic growth.

Modernizing the Fleet and Enhancing the Customer Experience

As part of the acquisition, DATTCO will integrate Land/Jet's fleet of ten buses. Half of the vehicles will be retired and replaced with newer models from DATTCO's fleet, improving safety, reliability, and overall passenger experience.

Don DeVivo, President of DATTCO, Inc., said:

"We're excited to welcome Land/Jet into the DATTCO family. This expansion is an investment in people allowing us to expand our operations, create good-paying local jobs, and deliver the dependable service that has defined DATTCO for over a century. We are thrilled to bring our family-owned values and decades of transportation expertise to the Waterbury, Western Connecticut and New York State communities. Upgrading the fleet allows us to deliver a safer, more comfortable experience while continuing to raise the standard for service."

Welcoming Land/Jet Employees

DATTCO will offer continued employment to all current Land/Jet employees, with additional opportunities for full-time roles as operations expand. The company views this as an investment in both people and continuity of service.

Kyle DeVivo, Chief Operating Officer of DATTCO, Inc., said:

“The Land/Jet team brings deep experience and strong relationships in the region. We’re pleased to welcome them and build on that foundation together.”

Supporting a Smooth Transition

Since its start in 1983, with just two motor coaches, brothers Charles Brady, President, Tim Brady, Vice President and Dennis Brady, Secretary, have built Land/Jet, Inc. into a successful and trusted full-service family-run bus operation. The transition marks the culmination of 43 years of continuous leadership by the Brady family and honors a remarkable 90-year legacy in the bus industry spanning three generations. DATTCO is pleased that the Brady brothers will remain involved during the transition to ensure continuity for customers and employees. Tim Brady will join DATTCO as a foreman, supporting operations at the new location and helping maintain the high level of service Land/Jet customers expect.

Charlie Brady, President of Land/Jet reflected on 43 years of Family leadership and the continuous positive growth that will be achieved through the acquisition: “We are confident that DATTCO is the right partner to carry forward the values and service standards that have defined Land Jet for generations. We are grateful to the entire Land/Jet family and thrilled that we can entrust DATTCO to continue the legacy of growth, commitment to family values, providing a great place to work for our employees with safe, reliable and community focused service to our customers.”
