

LAND/JET

ESCORTED MOTOR COACH TOURS AND CHARTERS - U.S.A. AND CANADA

Press Release

Land Jet Bus Lines of Waterbury/Watertown, Ct., a trusted name in Regional Transportation for more than four decades, proudly announces a change of ownership. The Brady Boys made the decision to entrust their lifelong work to a company, Dattco, with whom they have enjoyed a mutually beneficial and professional relationship for many years. This transition marks the culmination of 43 years of continuous family leadership and an extraordinary 90 year legacy in the Bus Industry spanning three generations.

The story of Land Jet Bus Lines is deeply rooted in the Brady Family's long-standing commitment to safe, reliable and community focused transportation. That legacy began 90 years ago when the Brady family first entered the Bus Business. Their grandfather, Charles Brady, owned and operated the Flying Eagle, located in Danbury, Connecticut. This began their life long journey, defined by innovation, hard work and a general love for serving the community.

A central figure in that history was Joseph T Brady. With his four sons in mind, Charles, Timothy, Dennis and Raymond, his vision and entrepreneurial spirit set the foundation for what Land Jet Bus Lines would become: a company built on integrity, service and a personal touch that set it apart from the rest.

Over the past 43 years, Charlie, Tim and Dennis Brady have had the privilege of meeting and working with countless individuals – loyal customers who trusted the company with daily excursions and special journeys, colleagues who shared in their mission and friends made along the way. These relationships have been the heart of the business and the driving force behind it's success.

As the company transitions to new ownership, the Brady family wishes to extend its deepest gratitude to everyone who has been a part of this remarkable journey. First and foremost, we acknowledge our beautiful families for their unconditional love and support. Without them, none of this would have been possible. We thank our sales department, loyal drivers, mechanics, and cleaners for their incredible dedication. You have all been instrumental to the success of our cherished company, "LandJet".

While this marks the end of one chapter it opens the door to new opportunities. Charlie, Tim and Dennis have always taken great pride in "Land Jet" and celebrate their legacy – a lifetime of dedication, hard work, commitment, and most of all, mutual respect and brotherhood.
